RE: Raised Crosswalks In Addition to Lighted Crosswalks Along Sunset Cliffs

On Wednesday, February 3rd, the Ocean Beach Planning Board voted 15-0-0 to request that raised crosswalks be installed in addition to previously requested and approved lighted crosswalks.

On the Ocean Beach unfunded needs list there are three lighted crosswalks along Sunset Cliffs Blvd. One at Brighton Ave., Niagara Ave., and Orchard Ave. Since these crosswalk were approved there has been an uptick of speeding and property related accidents. The board would like to request that in addition to lighted crosswalks they are also raised.

The board is optimistic that this will decrease speeding and increase pedestrian safety along Sunset Cliff Blvd.

Sincerely,

Andrea Schlageter
Chair, Ocean Beach Planning Board
