Action Item #2: Bacon Street Roundabouts

The Board will review the proposal and make its recommendations

Repave the street. This is most important issue. Roundabouts simply delaying the need

Brighton and Voltaire on Bacon - Roundabouts triggering Coast Commission?

Why haven't the city asked the community? Brought up in 2017 and 2019

Why were these intersections selected?

TD/KH: Move to request that the city honor the Bacon Street repaving project timeline, by the end of calendar year 2023.

AS/KH: Move to request a presentation from Transportation in regards to the rationale for the planned Bacon Street roundabout projects selected for Brighton and Voltaire, in addition, to discuss any other roundabout proposals in OB's future

Action Item #3: Housing Action Package 2.0

Havent heard back about when it will be on the docket. SB 10

Once upzoned, cannot downzone

CPC – SB10 – 30% affordability requirements – 15% very low/low income – 15% moderate income - PASSED

Want DIP fees to stay in communities impacted

No requirement that any units must be sold. 70% of renters want to own – would like to see requirement similar to SB10

What's possible, see what CPC ideas are
