Re: Alcohol Licenses issued in Ocean Beach Census Tracts

Dear Councilmember Zapf,

The Ocean Beach Planning Board is concerned about the excessive number of alcohol licenses that are issued in our community.

Ocean Beach is currently over-saturated with liquor licenses. When last counted by the OB Planning Board earlier this year, our small one square mile neighborhood had 63 total licenses. This is in excess of the amount authorized by ABC. The amount of liquor licenses authorized by ABC is determined by the population in the census tract. Ocean Beach has three census tracts: 75.01, 75.02, & 73.01. These 3 tracts allow for a total of 15 on-site and 7 off-site for a total of 22, as you can see above from the ABC licenses allowed by census tract

As Ocean Beach now has nearly three times the allowable number of authorized alcohol licenses per the census tract calculations, our community has become very concerned. In addition, as our community no longer has a police outpost, our concerned are amplified from the connection between alcohol and violent crime.

One large contributor to the increased number of alcohol licenses in Ocean Beach are the recently influx of beer and wine tasting rooms. As a lover of both beer and wine, and a strong supporter of local business, I am very happy to see this burgeoning craft community take shape in San Diego. On the other hand, there appears to be some land use conflicts in allowing brewery tasting rooms to be considered a retail use, instead of a restaurant use. The direct result of these new beer and wine businesses is a significant increase of patrons to these storefronts; an amount that was never realized or accommodated for in the previous retail use. The categorization of these businesses as a retail use, does not account for this significant increase in occupancy and the associated parking that would be required for a use of this type.

Please investigate the issuance of these alcohol licenses with ABC and State Assembly Member Tony Atkin's office to help us rectify the excessive number of licenses allowed in our census tract. In addition, please review the land use impacts of beer and wine tasting rooms, so that their use type properly aligns with the need for businesses of this type. Lastly, please work with ABC and Development Services to ensure any new licenses issues are thoroughly reviewed and recommended by both the Ocean Beach Planning Board and the Ocean Beach Town Council.

I am available if you would like to discuss further or have any questions regarding this letter. You may reach me via email at johnambert@gmail.com or by phone at # 805.801.2015. Thank you.

Sincerely,

John Ambert,

Chair, Ocean Beach Planning Board
