

**OCEAN BEACH PLANNING BOARD  
TRANSPORTATION BOARD MEETING NOTICE & AGENDA**

**Monday, July 25, 2022 @ 6:00 PM**

- This meeting will be held electronically via zoom. [Please click here to register.](#)
- Please submit public comments in advance of the meeting to: [tracyobpb@gmail.com](mailto:tracyobpb@gmail.com)

- 6:00 pm      **Call to Order:** Quorum/Introductions, Agenda modifications/approval, Minutes modifications/approval
- 6:10 pm      **Non-Agenda Public Comment**  
Two minutes per speaker for issues not on the agenda and which fall within the purview of the transportation subcommittee.
- 6:20 pm      **Action Item #1: Discuss potential for 1-way traffic on Bacon Street**
- 6:40 pm      **Action Item #2: Discuss pursuing traffic/pedestrian/bike safety measures for Newport and Bacon intersection**
- 7:00 pm      **Action Item #3: Discuss ideas to increase ridership on city busses**
- 7:20 pm      **Ideas for future agenda items?**
- 7:30pm      **Adjourn**

**Next meeting September 26, 2022**

### Running Project List:

- 1-8/SC and SC/WPL end of freeway and intersection:
  - Add painted signage/symbols/directional wayfinding marks on the asphalt between the off-ramp and the Sunset Cliffs intersection to direct people into the appropriate lanes (*Tracy*)
  - Directional sign redesign to make upcoming lane choices more clear
  - Add signage or reflectors in front of the skate park to prevent people from plowing off the end of the 8 (multiple accidents have occurred over the last 3 years. The barriers at minimum need to be replaced) **CK 5/22: Suggests adding solar-powered blinking lights or reflectors to the barrier to alert drivers.**
- Solar e-bike parking structure with fee-based phone charging (*suggested by Nicole U*)
- Bike Lockers
- Replace concrete median/barrier in the middle of SSC & Voltaire (north of Voltaire) with flex posts (*Tracy, community*)
- Bacon & Newport intersection: Stop lights, omnidirectional crosswalks, stop lights, pedestrian led crosswalks OR diverters (*need to develop a clear plan and presentation of the diverter concept and get stakeholders on board*)
- Trolley (*Idea from previous OB Street fair booth. Coordinate with SANDAG?*)
- Mobility hub/nexus idea (*suggested by Virginia*)
- TDM in OB - parking at parking lots and in BIDS (*Nicole B*)
- Create a bike/walking path all the way down the beach from Pier to Dog Beach (*always mixed support for this. Could be a tough battle with residents*)
- **stop sign on Orchard Avenue between Santa Barbara Street and Sunset Cliffs Boulevard. whether or not we need intermediate stops signs between Sunset Cliffs Boulevard and Santa Barbara Street and should this potentially be put on the list and shared with the Peninsula Group. (CK on 5/2022)**
- **start lobbying City about smart traffic lights. She feels this is a better alternative to roundabouts. (AS on 5/2022)**
- **Investigate the inequity between some business (commercial zones) that have parking requirements or others that do not. Would like clarification from the city (CK on 5/2022)**
- **dedicated right-turn lane to be added to southbound Nimitz Blvd at West Point Loma Blvd (SB 5/2022. Note: request has been made in the past – see minutes 5/22)**

### COMPLETED / REQUESTED / IN PROGRESS:

- Request for stop sign at Brighton and Ebers (*Nicole B*)
- Request for flashing beacon lights on Brighton and SSC (*Nicole B*)
- Bike and E-bike subsidies (*Rick/Tracy*)
- Private Parking space rental apps
- Sunset Cliffs: traffic calming
- Pier parking lot night closures
- More parking at Robb Field (requested through parks update)
- Curb side dining, slow streets, business prosperity for businesses in OB.
- Slowing mechanism on Voltaire (rumble bars? Stop signs? Roundabout? Bump outs? Painted speed limits on road?) (*Tracy, community*) *See accident report for that area on Voltaire*
- Traffic calming (stop sign) on Voltaire and Froude (*Nicole B, Mandy, Issac, community*)
- Evaluate the nightly parking lot closures at Dusty Rhodes and other parks to see if they're consistent and posted properly
- Creating an OB Parking District / Parking time limits and/or meters in the Voltaire business district (*being developed and discussed by other groups in town*)
- Geofencing for scooters (*city ordinance*)
