6:35 PM **Action Item #1 – Capital Improvement Project (CIP) Requests**

The subcommittee will discuss and draft a list of CIP requests for review at the next full Board meeting. Capital improvements are the addition of a permanent structure, structural change, or the restoration of the City's assets that will either enhance the asset's overall value, prolong its useful life, or adapt it to new uses. The City's assets span a wide variety of categories that include: streets and related right-of-way features; storm water and drainage systems; water and sewer systems; public buildings such as libraries, parks, recreational and community centers; and public safety facilities such as police, fire and lifeguard stations. Capital investments are necessary for the construction of all parts of the City's infrastructure. For more information, refer to Council Policy 800-14.

7:45 PM **Adjournment**
